

# HYUNDAI IT Interactive Board Installation Cases

**Corporate - Conference room**  
Location: Microsoft, Korea  
Product: 84" Interactive Board  
Application: Briefing and Meeting

**Corporate - Meeting room**  
Location: Mitsui, Japan  
Product: 84" Interactive Board  
Application: Briefing and Meeting

**Broadcasting studio**  
Location: KBS Main Hall, Korea  
Product: 84", 70" Interactive Board  
Application: Exhibition & Broadcast

**Broadcasting studio**  
Location: SBS Studio, Korea  
Product: 84" Interactive Board  
Application: Broadcast Entertainment news

**Roadshow**  
Location: Jakarta Stock Exchange, Indonesia (JSX)  
Product: 65" Interactive Board  
Application: Display Exhibition

**Corporate - Conference room**  
Location: SK Research Institute, Korea  
Product: 84" Interactive Board  
Application: Briefing and Meeting

**School - Class room**  
Location: Elementary School, Korea  
Product: 84", 70" Interactive Board  
Application: Smart Class

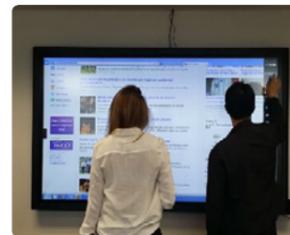

**Hospital - Lab**  
Location: Severance Hospital, Korea  
Product: 70" Interactive Board  
Application: Research and Meeting

**Coffee chain - Conference room**  
Location: Marley Coffee, Seoul  
Product: 84" Interactive Board  
Application: Meeting & Ad screen

**Corporate - Conference room**  
Location: White Interactive, Dubai  
Product: 84" Interactive Board  
Application: Briefing and Meeting

**Lecture room**  
Location: FLACSO University, Ecuador  
Product: 84" Interactive Board  
Application: Lecturing

**Corporate - Lab**  
Location: IBM, Bangalore, India  
Product: 84" Interactive Board  
Application: Research and Meeting

\* Specifications and designs are subject to change without notice.  
\* Software "Meeting Mate" operates in only Windows.

**Make a difference with simple tip of your fingers**

Everything will become simple and intuitive with Hyundai IT Interactive Board. Only few steps are needed to write, erase and share the contents. Many convenient features are available and easy to apply. One finger will be enough to become the smartest.

**Efficiency and Innovation**

No need to bring printed materials or to connect your external device. Connect directly with your USB memory, and present your materials, and send over the annotating materials via email. Maximize your work efficiency by eliminating unnecessary steps.

**Various Connections**

Build a flexible and reliable collaboration environment with various connectivity between interactive board and other external devices.

**Faster and more Convenient**

With the user-friendly interface, even a neophyte can easily operate Interactive Board. For user convenience, we have placed hotkeys at the edge of panel facilitating the mode shifting.

**Technology Acclaimed by Global Companies**

**Write and Save on Directly on Office Files**

You can now directly write and save on images, videos and document files. Expand, edit and save directly on MS Office files. Our solution has been tailor-made to be a complementary solution to office documents.

**Most Sophisticated Handwriting**

\* Real Handwriting on Hyundai Interactive Board.

We have developed the most sophisticate annotating software. You can now express every single detail without any distortion.

**Anytime, Anywhere for Conference**

Using Remote Mate you can now easily attend a meeting regardless the time and location. It's not just a face-to-face meeting, but also sharing opinions while looking at the same materials.

**Updated Software**

Hyundai IT Interactive Board maintains the performance and stability over its entire lifetime. Most optimal software is developed by us. The users can always use the up-to-date software without any additional cost.
